

# NIP-83020

## 2 Ports 10GbE SFP+ Network Adapter

Intel X710 BM2 LAN Controller  
2 x SFP+ 10GbE Ports  
8 x Proprietary PCIe Gen3

### Specifications

| Model Name                 |                                                                                             |
|----------------------------|---------------------------------------------------------------------------------------------|
| Platform                   |                                                                                             |
| Form Factor                | CASwell NIC Module                                                                          |
| LAN Controller             | 1 x Intel X710 BM2                                                                          |
| Ethernet Port              | 2 x SFP+ 10GbE Port(s) on board, Up to 2 x Ethernet Port(s) with maximum 20GbEGbE bandwidth |
| Bus Type                   | 8 x Proprietary PCIe Gen3                                                                   |
| Dimension (WxDxH)          | 85mm x 149mm x 16mm (3.4" x 5.96" x 0.64")                                                  |
| Operation & Certifications |                                                                                             |
| Operating Environment      | Temperature: 0 - 45°C (32 - 113°F), Humidity: 20 - 90% RH                                   |
| Storage Environment        | Temperature: 0 - 70°C (32 - 158°F), Humidity: 5 - 95% RH                                    |
| OS Support                 | Linux / Windows / FreeBSD                                                                   |
